CLOSE SECOND.

OUR PRODUCT

SIX YEARS OF DEDICATED EFFORT, POURED WITH BLOOD, SWEAT, AND TEARS, HAVE CULMINATED IN THE CREATION AND PERFECTION OF THIS PRODUCT. THOUGH ITS APPEARANCE MAY SEEM SIMPLE, EVERY SINGLE COMPONENT HAS BEEN METICULOUSLY CRAFTED WITH YOUR SAFETY AND COMFORT AS THE TOP PRIORITY.

PERFECTING COMFORT

PATENTED COOLING SYSTEM

THE **COMFORTTRIM** LEG GUARDS ARE MADE FROM AN INDUSTRIAL-GRADE VINYL MESH. LEAVING THE BACKSIDE UNCOVERED AND ALLOWING AIRFLOW TO KEEP YOU **COOL**.

THE PERFECT SHAPE

WHEN WE SAY EVERYTHING WAS METICULOUSLY CRAFTED, WE MEAN EVERYTHING. THE FRONT IS THE PERFECT SHAPE TO REST ON THE TOP OF YOUR SHOE, WHILE THE ARCH-CUT IN THE BACK STOPS IT FROM BEING DRUG ON THE GROUND, AND BOTH WORK TOGETHER TO KEEP IT FROM EVER TOUCHING YOUR SKIN.

VELCRO STRAP AND V-CUT

A SIMPLE YET VERY EFFECTIVE VELCRO STRAP HAND-SEWN ONTO THE OPENING OF THE VINYL MESH ALLOWS FOR QUICK AND EASY SLIP ON AND OFF OVER ANY SHOE OR BOOT. WHILE THE V-CUT ENSURES THAT ONE SIZE FITS ALL.

SAFETY AND DURABILITY

CUSTOMERS JOIN FOR THE COMFORT, BUT THEY STAY FOR THE PROTECTION.

MADE WITH

INDUSTRIAL GRADE MATERIALS, **COMFORTTRIM** ISN'T ONLY

PROTECTIVE,

THEY'RE DURABLE. ONE PAIR CAN LAST UP TO 4 YEARS OF EVERYDAY USE.
